Action Alert: Support EPA's Pavillion Draft Report and Findings

EPA is accepting public comment for the external review of the draft research report titled, **“Investigation of Ground Water Contamination near Pavillion, Wyoming”** (FRL-9506-7; 76 FR 77829). The draft research report was prepared by the National Risk Management Research Laboratory, within the EPA Office of Research and Development (ORD), and EPA Region 8.

The public comment period **began December 14, 2011, and ends March 12, 2012.**

Comments may be submitted electronically at:

Pavillion Area Concerned Citizens encourage you to support the EPA, their draft report and findings. Please read the EPA draft report, educate yourself and make comments during the public comment period. Tell EPA you support the investigation they have conducted in the Pavillion area. Ask EPA to continue the investigation. Thank EPA for protecting human health, water and the environment in the Pavillion area.
